

**No matter the season,  
there is always a reason  
to talk with your kids.  
They need to hear it from you.**

# **Let's Talk**

## **about healthy relationships**

- ◆ Young people want to talk to their parents and caregivers about healthy sexuality.
- ◆ Young people want to know about relationships.
- ◆ Young people who feel connected to their family and clearly understand their family's values concerning sexuality and relationships are more likely to avoid risk-taking behaviors.
