VOLUNTEER APPLICATION

Teenwise Minnesota is a non-profit organization that is the statewide leader in promoting adolescent sexual health, preventing adolescent pregnancy and gaining support for adolescent parents. We achieve this by developing, strengthening and advancing science-based policies and programs. Teenwise Minnesota provides resources for parents, teens, educators, health care providers, youth workers, media professionals and policy makers. As a small non-profit with an important mission, we value volunteer involvement.

Our volunteer opportunities include data entry, mailing preparation, filing, collating educational materials, preparing materials for training events and more. Jobs vary from day to day. Every task is important. We appreciate your interest!
